

# RAMPACK HD205

## Heavy Duty Drum Crush

This powerful unit will crush 45 gallon / 205 litre steel drums at a ratio of 6 - 8 into 1, greatly reducing disposal costs and storage space. The Drum Crusher has a totally enclosed shell for high levels of safety and a 30-litre 'oil collection tray' with tap connection to prevent any spillage or leakage of residual liquids.

### TECHNICAL DATA

**HEIGHT: 2.52M**  
**WIDTH: 1.19,**  
**DEPTH: 1M**  
**WEIGHT: 690KGS**

**SUPPLY: 3-PHASE / 400v**  
**MOTOR 11KW / 32AMP**  
**FORCE 24 TONNES**  
**CYCLE 40 SECONDS**
