

RAMPACK 511H

Automatic Horizontal Baler

with SMALL Space Requirement

Our range of Horizontal Balers are built with Twin Cross Rams meaning far less floorspace is required and bale density is greatly increased. Each Baler is delivered to your site 'ready for work' with no expensive pre-preparation, simply plug in to a power supply and use.

These machines are ideal for high volumes of:
Cardboard & Paper - Mixed Waste Paper - OCC -
Plastics (including agricultural) - PET Bottles - Cans
etc.
